### July 16<sup>th</sup> 1-Day Youth Quarterback Camp

The Drayson Quarterback Academy's June 1-Day camp for youth quarterbacks is designed to help young QB's develop their fundamental skills. We will work on footwork, throwing mechanics, throwing on the run, drops, and pocket fundamentals.

The camp will be run in two 3-hour sessions. The first session will be quarterbacks only, working on skills in a teaching intensive, controlled environment. In the second session, quarterbacks will be allowed to invite their receivers to begin working some more game-like, full speed repetitions. There will be a one-hour lunch between sessions.

Upon leaving, quarterbacks should have a better understanding of the position and have the tools they need to improve and develop into the best they can be.
